Robert Shapiro CFO

North Shore University Hospital

Re Sol Rosen v.. North Shore Towers Apartments.

Alleged \$35 million embezzlement

April 25, 2011

Dear Mr. Shapiro,

For thirteen months, the allegations of embezzlement have been  
before the Courts but never a trial date

.Hundreds of accountants and lawyers available for the Defense have  
never refuted accounting evidence....None has tried.

All of the evidence, including the four fraudulent certified reports and  
fraudulent budgets are available for review. .

I believe the evidence is indisputable .It will result In an action by  
you that will hold the hospital harmless from any complicity  
in the massive fraud. .

The suppression of the evidence in the Courts, followed by my  
Involuntary incarceration at Zucker Mental Evaluation. have now  
reached a new low..

Denied funds from friends as indicated in my previous letter

I am now faced with sleeping in my automobile

Surely, that ugly alternative to a review of the evidence is not acceptable to the hospital. .No credibility can be given to the claim that the diagnosis for mental treatment was necessary to cure my "delusion "to engage in frivolous litigation

"It was all for my own good"

The urgency for an appointment is clear .Please call me

Sincerely,

Sol Rosen
